- Old Business

- Arrangement was made with Shire of Midland Vale (EK) for them to use a site inside Endless Hills' borders to host their regular practices on Monday nights. Both Kingdoms' Seneschals have given their blessing. Baron Broccin has extended an open invitation for us to attend and thanks us for our partnership.
- Signature cards have been updated with M&T bank. This changes the members of the Financial Committee and updates will be made in chat groups/email lists to reflect updates (Baronage, Seneschal, Exchequer, Chronicler, Herald, signatory on bank account not already listed).

- New Business

- Lord Daven would like to call attention to his recent post on the Barony Facebook page encouraging folks to compete for baronial A&S champion.
- Baroness Refna shared that the Lions Club sponsors a Halloween Parade in White Haven, PA (which is near our southern border). If there is interest in participating this year to do some outreach in that area, she will get more information. *Interest was expressed so Her Excellency will get more info for the next meeting.*
- Celestina suggested looking into a grant offering by the Lackawanna Heritage Valley National and State Heritage Agency. She will research the eligibility and requirements of use. Mistress Euriol will look into whether the SCA has restrictions on applying for something like this. More to come.
- Mistress Euriol asked about having calendar invites attached to the meeting so folks didn't have to seek out the meeting info on social media. Rioghnach will send out meeting info to officers (who can then add the

meeting to their calendar, if so desired). This may not be an option for the non-officers and public.

Meeting ended at 7:47pm.

The next business meeting will be on Sunday, March 15th at 7pm via Google Meet.
